

Desha Forward is a strategic planning project to create a Comprehensive Community and Economic Development Plan for Desha County and we need you to get involved! Three town hall meetings will be held for interested citizens to learn about and help guide the strategic plan being facilitated by the Strategic Growth Institute (SGI).

Participation is open to anyone and all are encouraged to attend! The meetings are being held in three locations during the day and evening to accommodate as many people as possible. A meal will be served at the beginning of each meeting. All town hall meetings are open to everyone. If you can't attend the one in your community, please feel free to attend one of the other meetings.
